## Wheel Model WI05HL

16" and 17"

The wheel WI05HL is specifically studied in every fitment to be used on the High Load Vehicles, like Renault Traffic and Ssangyong Rexton Y400.

Drilled in 5 holes, this wheel is offered in finish silver or matt black. Do you like this design?

Would you like to receive a sample?

## FONDMETAL PEOPLE

Marco was born in 1966 and has been working in Fondmetal since 1988 as Painting Manager. 2 painting lines, almost 40 different colors and about 900.000 wheels painted per year, from 13" to 23":

Marco is a Real Fondmetal VIP.

## QUOTE OF THE MONTH

*Quality performance  
(and quality service)  
starts with a  
positive attitude.*

J.G.
