## DID YOU KNOW THAT ....?

Did you know that Marta has 2 dogs? One day, one of her brothers brought home a puppy... **Jhona!**

Jhona was very agitated and Marta was very frightened!

Then, day by day, Marta begins to play with her, cuddle her and after several years the fear disappeared.

Jhona was with Marta and her family for 14 long years!

9 year ago, after Jhona, Marta received a new dog as a gift, **Asia**, a Labrador puppy.

Asia is a lovely dog, she is very intelligent, obedient, naughty, funny, crazy but also so sweet and all Marta's family goes crazy for Asia, she is very docile with all people especially with the babies!

Give her a balloon or a plastic bottle

and she is able to play all day! Asia is also the mother of 6 beautiful puppies since 2 years, you can't imagine how Marta was happy for this!

Sometimes Marta gives hospitality to the dog of her brother...**Bruno**...

(Bruno is the name of the dog :-)). Bruno is an English bulldog and he's a terrible dog! He is very sweet but he is so stubborn!

Just think that he barks at the broom, at the umbrella, at the chairs if they are out of place and he stop barking only when you move the things that bother him!

Bruno cannot sleep without his inseparable deck! If the deck is closed, he starts barking until someone opens his deck! It's a crazy dog!

6 months ago Marta decided to take

another puppy...this time a male dog, **Lapo!**

He is a cross dog between an Australian Shepherd and a sheep dog, he is very intelligent, very crafty and very crazy, more than Asia!!

Asia & Lapo get along very well and they play, they eat and they sleep together!
