ITALIAN EXCELLENCE

Olive oil "GARDA DOP" is recognized as a valuable and exclusive product for its characteristics.

Thanks to its mild climate, the lands around Garda Lake allow the growth of olive groves!

QUOTE OF THE MONTH

Das Beste oder nichts.
(Gottlieb Daimler)

"The Best or Nothing"

DO YOU KNOW...?

Northern Italy tradition:
from 29th to 31st of January there are
"Giorni della Merla (= blackbird days)".

If these days are cold it means that
spring will be beautiful and will arrive soon.
If the weather will be clement,
spring will be late and will not be flourishing.
