

TWO NEW CASTING MACHINES IN LOW PRESSURE.

Two brand new low - pressure casting machines arrived in Fondmetal to improve the production capacity to 100.000 wheels per year. Placed in line with many other machines, the production started in January.

Fondmetal new casting machines

With this investment, Fondmetal is facing the new year 2015 with a larger production capacity and more flexibility.

Do you need more wheels?

ITALIAN PEOPLE

If you deal with Italian People you better know them well...
"I VITELLONI"

Everybody loves his mother.

Italian people love their mother more then everybody else.

It is easy to find a 35, 40 or 45 Italian man who is still living with his mom enjoying late wake-up, tasting house made breakfast, taking profit of free home service and also of weekly paycheck.

Living with your own family is cheap and full of comfort.

So don't fight with your Italian husband: you risk to see him going back to his mom!

PROFESSIONAL PICTURES FOR YOUR WHEELS?

In order to improve the quality of our marketing materials, Tania is attending a Professional Photography Course.

Inside and outside pictures will be handled soon with extreme professionalism and great results by Tania.

At the end of her stage, Tania's pictures will be evaluated directly by Marta and Fabrizio.

Will she pass the grade and become the Official Photographer of Percia's Team?
